

1. Airl plays a very important function in my community by providing POSITIVE influence and message. I believe that it is a refreshing broadcast in the light of many crude and inappropriate programing that pervades our air waves. Their focus on positive responses to many problems facing our youth are vital to my community.

2. If Airl were to be displaced there would be a pariah of needless and detrimental broadcast which focuses away from the family and the community.

3. The service Airl provides is important to the public interest because it promotes healthy families, ethics and good citizenship.

I believe that it is one of the few programs which content truly is of public interest
